Dear Bethel Adherent:

Thank you so much for being invested in Bethel Pentecostal Church. We are so excited for what God has in store for our Assembly, and best of all, we get to be a part of it together!

One of the best ways you can invest in Bethel is by becoming an official member. By becoming a member, you will continue to take a deeper investment in our ministries, publicly show your support, and best of all, share in the reward of growing God's Kingdom!

You are receiving this letter because you are already exemplifying a member and are already greatly valued in our Assembly. I know, that by taking this official step, it will help you take an even greater ownership in the ministry of the assembly, by being accountable to each other as we continue to **GROW** together to **WORSHIP**, **LOVE** and **SERVE**.

Enclosed in this letter you should find three (3) documents: Membership Form, Local Constitution, and Local By-Laws Selections. I am inviting you to review these documents and to consider to become official members of our Assembly. For married couples wishing to both become members, it is legally required for both members to complete their own form.

If you have any questions, or wish to review our Constitution and By-Laws in its entirety, please feel free to contact the undersigned.

For the Kingdom,

Andrew T Holm  
Lead Pastor
