“Learning to live a life for Christ isn’t as easy as some make it sound. So enjoy the process, learn along the way, and together, let’s give God the glory for using flawed people like us to point others to Jesus”

Two Things to Remember:

1. WE HAVE TO STEP OUT.

We have to look at a situation or a person and be willing to embrace it or them with a clear vision! We have to embrace them without any pre-conceived ideas or attitudes.

2. WE ARE GROWING.

Time and experience and successes and failures help our vision to become clearer over time.
