

Our Mission

“COMMISSON”

September 2017

Bethel

- 1) How would you define the purpose of the Church?
- 2) Was Jesus' mission on earth the same as your definition? Does it matter?
- 3) Define 'disciple' and discuss Leon Morris' quote (next slide).
- 4) Are we fulfilling our mission?

“...a disciple is both a learner and a follower; a disciple takes Jesus as his teacher and learns from him, and a disciple also follows Jesus. The life of a disciple is different because of his attachment to Jesus. The Master is not giving a command that will merely secure nominal adherence to a group, but one that will secure wholehearted commitment to a person.”
